Signature(s) of Plaintiff(s)

On April 14, 2019 I was placed in a Dry cell due to allegations of having a open Kiss at Visitation at South Central Correctional Center

I was placed in full restraints from head to feet for 17 days straight. I ate, Slept and used the restroom in these full restraints with "NO" break. I wasn't able to Shower or brush my teeth for 17 days straight. I laid in feces and rotten food on the floor the whole time. Not one time was this area cleaned.

I ate everything they fed me, I had 10 plus bowel movements and everyone of them no ~~contraband~~ ^{contraband} was found.

They took 4 x rays against my will and everyone revealed nothing was inside me. Yet I was still held inside this cell over half a month in these conditions and state.

From April 14 2019 - May 7, 2019*. There was nothing ever discovered because I never had anything.

I suffered Swollen hands and feet during this duration. I now take medication for the damage nerves inside my foot for having them shackles on for 17 days straight. I already suffer ~~from~~ from depression in which I also take medication for.

Who authorized this use of force to continue this long. He came to see me two times inside this cell threaten that he would not let me go until I give him something I never had. It was because of him I sat and suffered this long in a inhumane/ bondage after I did everything they asked of me. This is cruel and unusual punishment the average days you suppose to do in Dry cell is 72 hours ~~He~~ He made me do 17 days. He let his staff find me guilty of a "unknown" ~~that nobody ever seen~~ ^{Contraband} that nobody ever seen or had in which I "then" stayed in administrative segregation from May 7th 2019 to Aug. 2019.

* Note: There wasn't no clock or calendar inside this dry cell. I didn't have no pen or paper to document anything.
